

Basic_Output_Trace.java

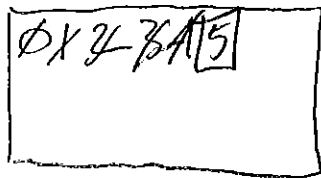

Easy Trace Table Notes

LINE

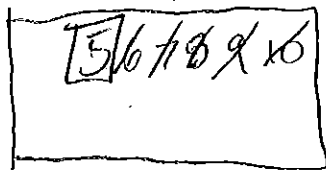

14 Thing @ 7, 0

15 Thing @ 7, 3

17 int counter - set to 0

18 int target # = to 10

20 while loop starts

22 rob move @ 7, 1, E

23 counter moves to 1

24 target # down by 1 to 9

20 while loop - true

22 rob move - 7, 2, E

23 counter mov to 2

24 target # down by 1 to 8

20 while loop - true

22 rob move - 7, 3, E

23 counter moves to 3

24 target # down by 1 to 7

20 while loop - true

22 rob move - 7, 3, E

23 counter moves to 4

24 target # down by 1 to 6

20 while loop - true

22 rob move - 7, 4, E

23 counter to 5

24 target # down by 1 to 5

20 while loop - false

30 loop complete

32 program ends
